

## About Us

The G-Alfa course is designed for students across all faculties, focusing on enhancing leadership skills and mentorship capabilities. Participants will engage in dynamic workshops, interactive sessions, and group discussions to cultivate essential leadership traits. The course aims to empower students to become effective leaders, fostering collaboration and innovation within their communities.

# our mission

1. Overview: Students will have the opportunity to learn from experienced mentors and collaborate with peers, fostering a supportive environment for personal and professional growth. By the end of the course, participants will be equipped with the tools and confidence to take on leadership roles and make a meaningful impact within their communities.
2. Objectives: The G-Alfa course aims to enhance leadership mentorship among students from all faculties. Its primary objective is to develop critical leadership skills, foster effective communication, and encourage collaborative problem-solving.
3. Outcomes:
  1. Demonstrate Effective Leadership: Understand and apply key leadership principles in various scenarios.
  2. Enhance Communication Skills: Communicate confidently and clearly in diverse settings.
  3. Foster Team Collaboration: Work effectively within teams and facilitate collaboration among peers.
  4. Resolve Conflicts: Identify and address conflicts constructively, promoting a positive environment.
